GENERAL By signing up, I am providing Cycle Farm, LLC with funds needed to operate the farm during the 2023 growing season. I understand that although the farmers will aim to provide an ample quantity of many different vegetables and fruits, there is no guarantee that any specific vegetable or fruit, or any specific quantity, will be available at a specific time. Any credit remaining at the end of the season is non-refundable.

REDEEMING Credit for the 2023 growing season (June - late October) can be used for produce at our farm stand during open hours.

HAZARDS ON THE FARM I understand that although the farmers strive to make the farm safe for visitors, there may be hazards. Hazards include uneven ground, sharp objects, farm equipment, curious chickens, etc. I agree not to hold the farmers or Cycle Farm, LLC liable for any injury that might occur at the farm.

Thank you for supporting local agriculture.
